## COOKING WINE

We aim always to hold a supply of wine suitable for use as cooking wine / mulled wine etc. This will generally be perfect pleasant to drink on its own, although not always to everyone's taste. The size of container will depend on what is available at any given time but will usually be 75cl bottles, litres or magnums in red & dry white.

The current price for a 9 litre case of wine is £26.50 ex VAT for red & white wine with an alcoholic content of between 10-14%
